**Wolseley Industrial Group now open in Harrisonburg, Virginia**  
*New location supplies industrial products and services throughout the Shenandoah Valley*

**NEWPORT NEWS, Va. – Aug. 17, 2017** – [Wolseley Industrial Group](http://www.wolseleyindustrialgroup.com), one of the nation’s largest distributors of industrial products and services, expanded its presence in Virginia with the opening of a new location in Harrisonburg, which will serve customers in Shenandoah, Rockingham, Page, Madison, Culpepper and Greene counties. Wolseley Industrial Group has more than 160 locations nationwide.

The Harrisonburg location has distribution and delivery capabilities, and will supply industrial pipe, valves and fittings and maintenance, repair and operations products to customers across several industry segments including food and beverage, pulp and paper, chemical, manufacturing and more. For specialty products not already in-stock, the location is fully equipped to source and receive customer orders. It will also offer services such as valve automation, material test reports (MTRs), bagging and tagging of material to meet individual customer needs and storeroom management.

“Industry is growing rapidly in the City of Harrisonburg and surrounding Virginia and West Virginia counties,” said director Jay Alls. “This new location allows Wolseley Industrial Group to provide our customers with easy access to the inventory they need and knowledgeable associates who can provide solutions and services to help maintain, repair or build new industrial facilities.”

Industrial customers can visit the location at 21 Warehouse Rd. for product pick-up for immediate needs like tools, safety equipment and maintenance supplies. Operating hours are Monday through Friday 7 a.m. to 5 p.m.
